I don't get sick anymore

By Deborah Larson on October 21, 2016

I've had problems for YEARS getting sick with sinus and upper respiratory infections. It started with a cold and always built into something more. With the MANY benefits of cayenne, I'm feeling much better. My nose isn't constantly plugged anymore. I have limited post nasal drip, and I can sleep all night and breathe through my nose. This has definitely been a life saver for a long time

i bought this product to add to my regime in hopes of controlling my blood pressure. Only been taking it for about a week, so don't know if it will help or not, but it does not bother my stomach.....that may, however, be because I live in Louisiana and am accustomed to spicy foods!

I'm taking these for my prostate and hope they keep things healthy. And kill any cancer cells in that area. Just be sure and take these with a meal or you'll feel some heat.
